

2009 Theme Weeks

Camp Collin's is proud to introduce our 2009 Theme Weeks. Every summer our staff dedicates each week to a theme. The weekly themes often are the focal point to our Campfire Programs, Chapels, and the weekly Theme Game. This summer we are dedicating our Thursday night dinner to celebrating our Theme weeks. Staff and campers are encouraged to participate in the Theme Dinner by dressing up in appropriate attire and share in a theme based meal where anything could be served from Smurf Soup to Wookie Cookies.

Session 1: Cartoons Week : It's time to relive the favorite cartoons of all time. This week you could run into anyone from a Smurf to a Thundercat to Optimus Prime.

Session 2: *Fantastic Duos Week* : Great things come in pairs and this week is dedicated to celebrating the great duos of our time: Batman and Robin, Lewis and Clark, Pinky and The Brain, Jordan and Pippen or Edward and Bella.

Session 3: Pirates and Ninjas Week: When deciding between Pirates and Ninjas we couldn't choose so we're doing both together and it will be legendary.

Session 4: Time Travel Week: Be prepared to travel through the decades with Camp Collins' very own Mad Scientist. Depending on his mood we may visit the dinosaurs or the distant future.

Session 5: Fantasy Week: Get ready to save the ring or fend off an Expelliarmus charm or travel to Redwall.

Session 6: Color Week: This week you can sport your favorite team colors, participate in Blue Breakfast and help the camp staff save the colors from Monochromatic Man.

Session 7: International Week: Join our International staff from Scotland, England and Israel as well as those who've traveled abroad as they share about other countries around the world!

Session 8: **S** Week: Camp is always at risk against the forces of the Dark Side and we'll once again join forces to protect the way of the Jedi. This summer we're planning on a special guest appearance of real Stormtroopers from the local [The Cloud City Garrison](#).

Day Camp Week: Fairy Tales Week: For Day Camp Week we'll be focusing on Fairy Tales. Beauty and the Beast, Hansel and Gretel, Cinderella, and Snow White will all be living happily ever after this week.
